

## Centrespace Gallery/Current Exhibition

Centrespace Gallery situated in the heart of Bristol is home to up and coming talent across the South West. The gallery actively seeks to show unique and diverse work across all mediums of art including painting, sculpture, installation, printmaking and performance. Exhibitions range from solo shows to group shows and there is always something worthwhile to see.

We are very pleased to announce we have just been awarded Arts Council Funding

With the Arts Council Funding we have now installed our new projector and a large screen, and invite artists, animators and film-makers to submit proposals to use these new facilities.

### Information for Hirers

The entry to the gallery is free and private views are often held on Friday nights. For a free invitation to all our Private View join our newsletter by adding your email address on the left. Programmes are available from the gallery and across various venues in Bristol. For more information on where to find us please see our Find Us! page.

### Information for hirers

Centrespace Gallery is independent and is available to hire from a week onwards. The gallery is always on the look out for new and exciting work and invites you to submit proposals to exhibit. For more information please see our Gallery Information page.
