

## Call for 2011 Proposals

We are putting a call out for the two remaining weeks in 2010, and do now accept proposals for 2011.

We are always happy to receive proposals from artists working in all media, and with the installation of our new projector and screen we can also now welcome artists and film-makers working with animation, film and any moving image.

The 2010 gallery hire costs are £275 for one week and £250 for every subsequent week. In addition we ask you to pay a refundable deposit of £150 for the first week and £30 for every subsequent week. Out of your deposit we take payment for electricity rates.

The gallery hire includes publicity on our website, Facebook site as well as to our extensive mailing list and inclusion in our programme of events including an image, a short explanation of the exhibition and opening times which is then widely distributed around Bristol. We also have listings in all the Bristol publications including Venue magazine, The Bristol Magazine and Metro and send listings to the Independent and Guardian newspapers.

What we ask people to do is send in an exhibition proposal. In which we ask for the following:

1. Brief description of proposed exhibition (with title and favoured dates)
2. Artist C.V.'s for all artists involved
3. 4/5 good images of artist/s' work
4. Full contact details

Once we have your proposal it is put to the gallery committee to review, after which we contact you with the result. For a map of the gallery and current exhibition details, go to our website at [www.centrespacegallery.com](http://www.centrespacegallery.com)

Please note that Centrespace is a gallery space for hire and exhibitors are responsible for their own invigilation.
